GRANT OF LAND FOR SCHOOL PURPOSES, FORT SHAW DIVISION, MONTANA

FEBRUARY 26 (calendar day, MARCH 3), 1925.—Ordered to be printed

Mr. WALSH of Montana, from the Committee on Public Lands and
Surveys, submitted the following

REPORT

[To accompany H. R. 11540]

The Committee on Public Lands and Surveys, to whom was referred the bill (H. R. 11540) making a grant of land for school purposes, Fort Shaw Division, Sun River project, Montana, having considered the same, reports thereon favorably without amendment and recommends it do pass. The recommendation of the Secretary of the Interior is indicated by the report submitted by him, as follows:

THE SECRETARY OF THE INTERIOR,
February 13, 1925.

Hon. N. J. SINNOTT,
*Chairman Committee on the Public Lands,
House of Representatives.*

MY DEAR MR. SINNOTT: Receipt is acknowledged of your letter of January 15, 1925, transmitting copy of a bill, H. R. 11540, with request for a report thereon. The bill is entitled as follows:

"A bill making a grant of land for school purposes, Fort Shaw Division, Sun River project, Montana."

It authorizes and directs the Secretary of the Interior to issue patent conveying what are described as lots 14 and 15, section 2, and lots 11 and 12, section 11, township 20 east, range 2 west, Sun River project, Montana, to school district No. 82, Cascade County, State of Montana.

Upon investigation of the matter I find that there would be no objection to the issue of such patent to the school district, and I therefore suggest favorable action on the bill.

Attention is invited to what appears to be an error in description. I believe in line 5 the township should read 20 "North" instead of 20 "East." The total area involved should read 30.76 instead of 30.54 acres as now shown.

Very truly yours,

HUBERT WORK, *Secretary.*
